# FROM COVER-TO-COVER, A FEAST OF MATURE GALS

Dear 40Something,

I'm amazed at how you continue to get better with each issue. The January

"12 issue (40Something #223) follows that tradition from cover to back. From the insidecover photo of Luna with a cock in each hand to the back cover of the three swinging MILFs, your magazine was outstanding.

Your review of the DVD 50Plus MILFs #3 was good, and I'm a big fan of Carrie Romano, Sheri Fox, Jasmine Fields and Lydia South.

The "Holiday DVD Roundup" contained many in my collection, and I'll

Lynn Belmont (left) and Opal can keep any man satisfied.

surely add *A Creampie For Granny* #2 and *60Plus MILFs* #2 to it.

As usual, the column by Georgette Parks was insightful. It's also nice to read the letters from fellow fans of 40Something.

Donna Davidson began the pictorials by showing how sweet and sexy 65 years old can be. Her perfect pussy and sweet ass were accentuated by those lovely pearls. I can only hope to see Donna in hardcore action.

The ex-husband of Lynn Belmont is one stupid guy, leaving a hot, voluptuous, 43-year-old, cock-sucking, cumloving beauty for a 23-year-old. Lynn is a woman with big, natural tits and an ample ass, and I know her replacement cannot compare.

Anal-loving MILFs have a special place in my heart, and Raven Storm and Margo Sullivan are both there. I've seen both doing anal action, and they are awesome. Margo is especially exciting to me because I know she loves black cock.

The best solo pictorials were of

Jenny Mason and Jade. Jenny won me over as soon as I read of her getting face-fucked and pussy-filled with black cock. Add to that being ass-fucked by a 20-year-old then doing two studs that gave her a facial and you have the complete MILF. Her photos are great and show her perfect body with round tits and an open, lickable ass. Many photos have her finger in her asshole, and I would dearly love to lick that finger clean then bury my tongue deep in her asshole.

I nominate Jade as winner of this issue. As soon as I read of her recent birthday when her boyfriend watched and filmed while she had sex with three black guys filling all her holes, I

knew she was the best of this issue. The thought of Jade with black cock in her mouth, pussy and ass at the same time is priceless and one that 40Something should re-create for its public. I truly envy those guys being able to take turns in all her holes. A sexy MILF who loves gangbangs, anal sex and interracial sex is always a winner, especially when the woman is blessed with Jade's beauty, perfect tits and delectable pussy and asshole.

The XXX pictorials were splendid, as always. It's good to see Opal Reins return, this time fucking and sucking cock. Great photos of her licking and actually getting face-fucked then taking cock deep in her pussy. It's also good to know that she does anal, and I hope she does so soon in a DVD.

The best XXX was that of Luna, who is one of my all-time favorites. When I saw Luna the first time, I loved her pierced nipples and clit, then when I saw her taking black cock, she became one of my favorites. Now to see her taking on two black cocks is even more amazing. Luna with whipped cream, two black cocks and a cum-covered face is the ultimate sexual buffet.

I suggest that you offer more of the scenes from your websites on DVD. Watching via .com is okay, but I enjoy having movies in my collection to view when and where I choose. Each issue, I read of MILFs who come to your studio and do a scene, and it can be seen via .com. When you put it on DVD, we have a permanent copy to enjoy. That is my only complaint with your otherwise great magazine and video offerings.-W.V., Durham, North Carolina

Dear W.V.: Luna is one of the stars of the DVD 60Plus MILFs #2. That movie features the threesome you mentioned with Lucas Stone and Piper (Luna eats cream over their cocks.). Opal Reins' anal scene has not yet been released on DVD but can be seen online in the members area of 40SomethingMag.com.

# ALL HE WANTS FOR XMAS IS TO GET HIS ASSHOLE LICKED

Dear 40Something,

Jenny Mason (40Something #223) was a great holiday present. I know some guys might say she looks too young for 40Something, even though she's 43, but I don't think any man in his right mind would turn her down if she showed up next to him in bed on Christmas morning. I hope Jenny fingering her ass as much as she did in her layout is an indication of things to come.

My wife, who's 48, is a very horny woman, and every Christmas, she gives me something new on the sexual front. We've only been married for four years, so she hasn't run out of ideas so far. Last year, she gave me her ass for the first time, and this time, she's hinting around about examining my asshole with her tongue. No wonder I can never sleep on Christmas Eve. I'm too excited!—E.J., Geneva, Illinois

Dear E.J.: Jenny takes it up her wellprepped ass in the International editions of this issue. By the way, E.J., what did she give you the other three years? And let us know how your Christmas morning went.

# A GREAT NEW 60PLUS, PERKY SAHARA AND GIRL-GIRL ACTION

Dear 40Something,

The January 2012 (40Something #223) issue has a terrific cover gal in Donna Davidson. She has a beautiful pussy and ass that are just begging to be licked and fucked.

Sahara is a real treat with her small, perky breasts. She has already gotten a rise out of me

on several occasions. Please bring her back.

Speaking of returning beauties, I was pleasantly surprised to see one of my favorites, Suz Chase, doing hardcore in 50Plus

MILFs (SCORE Special #220), but I really want her back for a spread in 40Something. Now that we have seen her with some lucky

that we have seen her with some lucky guy, why not pair her up in a hot lesbian scene? Now that would be really great.—T.R., Van Nuys, California

Dear T.R.: Sahara and her hairy pussy return this issue for a hardcore session beginning on page 38. And you'll be happy

to know that Donna Davidson has a threesome with two studs in the upcoming issue of 50Plus MILFs (SCORE Special #229), on-sale March 20. If you can't find 50Plus MILFs at your newsstand, give us a call at 1-800-421-0760 (toll-free in the United States and Canada) or +1-305-662-5959.

As for lesbian scenes involving mature models, we have to say that there has not been a great demand for them. Readers, how do you feel about girl-girl action?

# THEY'RE GETTING OLDER & THICKER, AND THAT'S GOOD!

Dear 40Something,

It was great to see one of my favorites, Margo Sullivan, back in 40Something (SCORE Special #223). Long overdue. Her body still looks great, and I love how thick she is down below. One of the least-discussed aspects of women as they get older is how much thicker they get in their asses and thighs. I love it (even though I am well-aware that many mature women mistakenly think it's a bad thing; it's not).

I also enjoyed seeing Margo getting her pussy wet with that hose. I'd like to see more of that type of thing in your quality magazine, especially if you can get the ladies outdoors.—D.G., via email, address withheld

Dear D.G.: We were also happy to bring back Margo. You can see her taking a creampie from a stud in the upcoming 50Plus MILFs #229 and getting assfucked in the DVD Fuck My Old Ass #3, available on page nine.

# SHELLY SETS THE STANDARD: OLDER, BIG-TITTED WOMEN

Dear 40Something,

I picked up the December '11 issue of 50Plus MILFs (SCORE Special #220), and it's awesome. The hottest find is the very well-endowed Shelly "The Burbank Bomber." She is the embodiment of a perfectly slim, breast-

enhanced and sexy older woman and a hot wrestler. My only disappointment was that Shelly was not featured on the cover. I do hope you bring her back for more layouts. Also, when is her XXX-Rated movie going to be on-sale in DVD format?

I am requesting that 50Plus MILFs magazine gets published more often and that hot, older women such as Shelly are in future issues. Flat-chested older women needn't apply.—Derek, Long Island, New York

Dear Derek: More Shelly "The Burbank Bomber"? Glad you asked! Shelly returns on page 60 of this issue, and she puts the smack down on a very lucky stud.

So far, we don't have a DVD featuring Shelly, but you can see her in hardcore video action at 50PlusMILFs.com.

# WHO IS THE MYSTERY 64-YEAR-OLD WITH LONG NIPS?

Dear 40Something,

Sixty-five year-old Donna Davidson (40Something #223) is fabulous. How about Donna and Ivan Nukes in a very hot DVD scene? They have a 45-year

age difference, which is hot.

Some time ago, you featured a 64-year-old with long, thick nipples. Who was she?

Let's see women with massive clits. How about pictures and DVD scenes of MILFs and GILFs seducing young men? More kissing and touching before hardcore action. More mothers

4 Something DVD PICK

If you fuck an old chick and shoot your load deep inside her pussy, that's normal. But if you do it on-camera, that makes it hotter, wilder and nastier, especially if she opens her used, sloppy pussy and lets you watch cum pour out of it. The six 60some-

things in this movie are too old to get pregnant, so they want you to shoot your load deep in their pussies. Stars 67-year-olds Bea Cummins and Lola Lee; 64-year-old Lexi McCain; and 60-year-olds Deanna Bentley, Luna Azul and Jackie Babe. Cream 'em!

Deanna Bentley is a divorcee and businesswoman from Ohio who does the kind of things her neighbors would be shocked by. "I'm basically your normal womannext-door except I'm having sex on-camera with guys who are half my age. And I'm loving every minute of it!" In this scene, Deanna is looking sexy in stockings and sexy, black lingerie. She offers some jack encouragement while she gets naked, then sucks her stud's cock and balls while he fingers her shaved pussy. Deanna gets fucked missionary and doggie-style. She's riding his cock reversecowgirl when he shoots his load deep in her old pussy. Then she lets us watch it stream out.

Luna Azul is a sexy boss who catches her employee copying secret photos of her pierced pussy. He tears her pantyhose so he can eat her shaved hole in the copying room, then she takes him to her office so she can suck his dick. Luna bends over her desk to take his cock in her pussy, then rides his dick and takes it missionary before he makes her cunt messy with cum. Big-titted Lexi McCain proves she can deep-throat a huge cock, then lies back for a face-fucking, too, and takes every inch! Lexi is rewarded with a creampie. Big-titted wife Bea **Cummins looks classy** even when she's wearing sexy lingerie, stockings and a garter belt...even when a young dude is fingering her shaved pussy, even when she's sucking cock and getting fucked. **Even when cum is pouring** out of her creamed cunt!

Jackie is decked out in her favorite slutwear so she can seduce a hung, black stud. She's ready for her first black cock! Her first creampie, too, but not until she gags on his big dick and gets fucked hard, talking dirty like the nasty slut she is! Lola Lee, like Bea, is a classy-looking woman who you'd never think would do this: have sex with a guy who's 40 years her junior. Lola shows him how a mature woman sucks and fucks, then she gets her creampie. She spreads wide so we can watch her push out the cum, her pussy pulsating. Yep, creampies are on the menu in every scene of ACreampie for Granny 2!

# "IS THAT GEORGETTE? CAN IT REALLY BE GEORGETTE?'

Dear 40Something,

I can't believe it! That was Georgette Parks I saw in D.C. this past summer! I was walking with my wife on the National Mall toward the Lincoln Memorial when I spotted a very sexy, big-titted woman wearing a pink tank top and white pants. Sure enough, when I saw Georgette's pictures in her

column ("SeXXXty Something," 40Something #223), I knew it was her I had seen. Of course, being with my wife, I wouldn't have said anything since my wife doesn't know that I'm a 40Something reader. Now

that I'm looking at the pictures, maybe I wasn't sure it was Georgette because she was wearing sunglasses, but, man, I remember thinking, "That's one very sexy older woman.'

In retrospect, there were a lot of beautiful women in D.C. that afternoon, but none of them compared to Georgette.-L.C., Hopewell, New Jersey

# IF THIS REALLY HAPPENED. WE WANT THE PICTURES!

Dear 40Something,

The other day, my mother told me that her 75-year-old friend was "hot to trot." Those were exactly her words. I tried to be clear with her. I said, "Mom, do you mean she's lonely." Mom said, "No, she's hot to trot." Of course, I knew what she meant. I just couldn't

"Ivan, you can tell me anything," guidance counselor Jenny says to her student Ivan. "What you say here is confidential." "Well, Ms. Mason," Ivan sputters. "I need to score some condoms from you. My girl wants to go all the way. I heard you have condoms for free." "Sorry, Ivan, but I'm all out of condoms," Ms. Mason says. "You're the tenth student that's come by this week. The school is supposed to receive more next week." But Ivan can't wait. He's just about ready to bust a nut. And this time, a simple blow job won't do. "I'm over blow jobs," he says.

"I need something new," Ivan says, "but I don't want to knock her up." Fortunately, Ms. Mason is experienced in giving advice and having sex. "If it's pregnancy you want to avoid," she says, "there is one way to have sex, but your girlfriend might not be ready for what I'm about to show you." Show him? "You see, Ivan, first you undress your girlfriend and bend her over. You get her asshole nice and wet. Then you whisper in her ear, 'I'm going to fuck you up the ass now." But Ms. Mason doesn't just tell. She shows how it's done.

That's right! After getting fucked in her mouth, ass and pussy, in that order, Jenny has Ivan finish things off by cumming all over her pretty face! "I love having a man cum on my face," Jenny said. "First of all, I can't get pregnant, and second of all, I love cum. I love the way it tastes and the way it feels. Sometimes after one or two guys have cum on my face, I'll look in the mirror before it dries off just so I can see my face covered in cum." Don't you love Jenny? She's pretty, she's sexy and she's slutty. "I'm sluttier than I've ever been since I came to 40Something." Our pleasure!

# the naughty adventures of a 60something swinger!

by Georgette Parks

My boyfriend and I haven't been going to a lot of parties recently, but we've definitely been doing a lot of fucking!

ow, does time fly by or what? It's already that time again to tell you all about my adventures. I still occasionally have problems realizing that I am now retired. Most of the time, my calendar looks like I still have a job.

Since my boyfriend and I got back from up north, we've been going nonstop. It's uncanny, but we have been invited to at least five lifestyle parties and have not been able to go to a single one because of other commitments. Several of our commitments have been family outings.

We have been seeing only couples since our return. We haven't done this on purpose. Our schedule has just

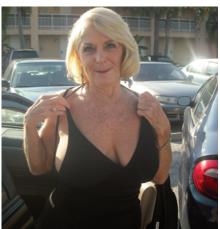

happened that way. That is definitely not a bad thing. Switching partners for sex is always a lot of fun and sometimes even more fun than a big house party.

We have friends that live about an hour away and were invited to their house for an overnight. It really was a great time. We arrived and had cocktails and some conversation, then the guys started to make their moves by hugging and kissing the opposite partner. Rather quickly, we went off to separate bedrooms to play, me with the other guy and my boyfriend with the other woman. My host loved to play with my pussy, kissing and sucking and rubbing it. He got me so hot! He gave me several climaxes just by sucking on my clit and my pussy lips. He even liked putting his tongue inside my pussy and licking me, which got me even hotter. He enjoyed my cum.

He finally relented and let me suck on his cock. I love how guys always tell me what a great job I do sucking them and making them rock-hard. Then I think we fucked in at least three different positions. Each position was as good as the last, and I had climax after climax! Of course, eventually he came inside me and that was it, but boy, it was great!

After we were done fucking, we all met out by their pool and took a dip. We did a little cuddling and kissing in the pool. We finally decided we needed some food, so we all got out and put on some robes. Our host lit the grill for dinner. We had a few more drinks and a lot more conversation before the evening was over. We were invited to spend the night, and we each slept with our own partners. I do know couples who swap partners to sleep, but that's not my cup of tea.

The next morning, we were all back in the pool with our coffee. We finally

I wouldn't exactly call myself an exhibitionist, but sometimes I just can't resist. What a naughty grandma!

My boyfriend and I had a great time in Las Vegas seeing all the sights. Here I am in front of the fountains at the Venetian Hotel. Surprisingly, we didn't do any swinging on this trip.

decided it was time to travel home. We did make plans to see them at our house in about a month for a similar romp. It is nice when we can find a couple that both me and my boyfriend feel comfortable with.

A few weeks after this rendezvous, we had over a couple from Michigan that we are friends with. They were visiting before they went on a nude cruise to Fantasy Fest in Key West. This guy was also enamored with my pussy. Boy, did he fuck me! I thought we were all finished and he said, "Oh, I'm not done with you yet. There's a lot more to come." Was he ever right! My pussy got so excited and had climax after climax. It was almost as if it had trouble stopping. Again, this couple was so easy to get along with, and we had a great time with them. We already know they will be back in March and we will get together again. When they were visiting, I also celebrated my birthday, and the guy was a great extra present!

After they left, I had the opportunity to see a live pro football game in Jacksonville, Florida. Our seats weren't the greatest, but it certainly was a lot of fun. It would have been even better if my team had won. That

was a disappointment. Gee, I almost forgot to tell you that I happened to see the Tampa Bay Rays baseball team in the playoffs. That was even more exciting than the football game, especially since the Rays won!

We have been very busy doing other things besides having sex. I do have a life outside of sex, you know!

On my way to see the Rays in the baseball playoffs!

We actually had a mini-vacation and went to Las Vegas. My boyfriend had never been there. We stayed for five days and four nights. We spent four days doing the Strip and saw a couple of shows at night as well. We did gamble a little, but that's not really our thing. The main reason we went was to see all the lights of Vegas and experience the whole extravaganza. Just to see the inside of all the casinos was something else. We did gamble but came home just about even. I love blackjack. That's my favorite. We also had a blast one afternoon at a Margaritaville block party.

We went to our usual Friday night meet-and-greet and ran into another couple we know and found out that they were in Vegas the same time as we were. However, we never ran into them. They wanted to know if we had gone to the Red Rooster. We had no idea what they were talking about and found out that the Red Rooster is a lifestyle party house. Oh, well, I guess you can't do it all. We did see the Hoover Dam, though.

Since coming home from Vegas, we've had my long-time girlfriend and her husband for dinner, and I do mean just for dinner, no play time.

Like I said, I didn't do any swinging in Las Vegas, but I did get to see the world-famous Hoover Dam.

Well, before the evening was over, she invited us over to their home a couple of nights later for some play time. She had never done my guy, and she wanted him! That turned out to be quite a good time as well. She sucked my guy's cock, and I heard both of them moaning. Her husband ate my pussy till I came time after time. He didn't want me to suck his cock; he just wanted to fuck me. We were sharing their bed, so her husband knew when my guy was finished fucking her and asked me if I would mind if he fucked his wife. Of course, I wasn't going to refuse him. We traded back to our partners, and he slipped into his wife and fucked her while I

# "He loved eating my pussy before he fucked it. He was obsessed with it!"

sucked off my guy. Afterward, we all jumped into their double shower to clean up, then we went to a meet and greet in the area. Do we have a good

time or what?

I had one more fuckathon, and that was with our friends up north who just crossed over the line into the lifestyle. They had arranged a trip to Florida and wanted to make sure we hooked up while they were here. I think I made out better than my boyfriend since we found out she was indisposed and couldn't fuck. Well, the

guy sure did fuck me! My guy even said later that he was really banging me good. They were in the next room and could hear him banging away. Again, he just loved eating my pussy before he fucked me. Even after he came, he was obsessed with my pussy and still wanted to touch it and look at it. My guy said that at least he got his cock sucked a lot and got to cum in her mouth. He said that she is really into cocks as well.

Well I think that's about all that's been going on in my life. The holidays are coming up soon, so we will continue to be busy. I don't know if we'll keep seeing strictly couples, but

I definitely march to the tune of a different drummer!

if we do, that's okay by me. I've been having a great time, and so has my boyfriend. Make sure you check out 40SomethingMag.com, 50PlusMILFs. com and 60PlusMILFs.com to see all the latest sexy ladies. As I'm sure you know, there are plenty of videos of me having a good time! Live life to the fullest, laugh often and definitely love much-Love, Georgette 40

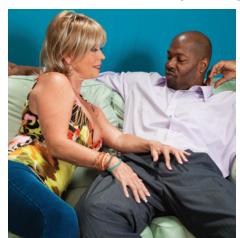

My guy loves when I dress up in sexy outfits. He's very fond of my big breasts.

"Rita Daniels told me about Lucas's big, black cock. I couldn't wait to have it!"

Somebody's knocking at Lexi's front door, and at first, things don't look good for Ms. McCain. "I work for the courts department, and I need to serve you these papers," Lucas says. "Apparently, your husband is filing for divorce." Well, this turns out to be the best news Lexi has heard in a long time. Not only is the divorce settlement going to be huge but she can tell that Lucas's big, black cock is huge, too. She asks him if he'd like to celebrate with her. He tries to resist, but resistance is futile. As of now, Lexi is a divorcee on the prowl.

Before Lucas knows it, Lexi has his cock out of his pants and in her mouth, and she's sucking black meat for the first time in her life. Then she demands that he eat her pussy before he fucks the living daylights out of her. Lexi is a wild woman who rides hard, not surprising since one of her favorite swinging friends is Rita Daniels. "I really wanted that big, cock," Lexi said. "Lucas was walking around the studio all day swinging it near my face, and I had to have it. By the time the scene started, I'd already fingered my pussy in the ladies room twice, but I wanted the real thing."

Lexi has always been horny but she didn't start acting on her horniness until about five years ago. "I met my significant other on Match.com and discovered he was a swinger," Lexi said. "And he opened the door to me for swinging and I trampled right on through!" Lexi loves telling the story about how she picked up a guy at a bar in San Francisco and fucked him in the exterior glass elevator of a skyscraper. "We got on at the bottom, and we fucked all the way up to the 100th floor. And all the way down, I gave him a blow job. Then we took the party back to my hotel room."

(available on page 11 of this issue), Lexi and Rita Daniels share a young cock. It wasn't their first threesome together (nor was it their second or third), but it was their first on-camera threesome together. They both ate each other's pussies, then they shared a huge, double-donged dildo, then they took turns getting fucked. "Rita can be a little selfish when it comes to cock, so I wanted to do another scene in which I had the man all to myself," Lexi said. "And she'd told me about how well Lucas fucked her, so I wanted to find out for myself." And how well did Lucas fuck her? "Amazingly," Lexi said. "But some might say that I say that about all cocks!"

There are times when a man goes down on Sahara's pussy for the first time and she wonders, "What's he going to think when he sees it?" She means her hairy pussy. Her very hairy pussy. You see, we live in an era when most women, even most mature women, shave their pussies clean. Sahara is the rare exception. So, what happened when JMac saw Sahara's hair-covered cunt for the first time? "Instant hard-on," he told us. "That's usually the reaction I get," Sahara said. "Most women might be shaving their pussies, but I've yet to meet a man who didn't love mine."

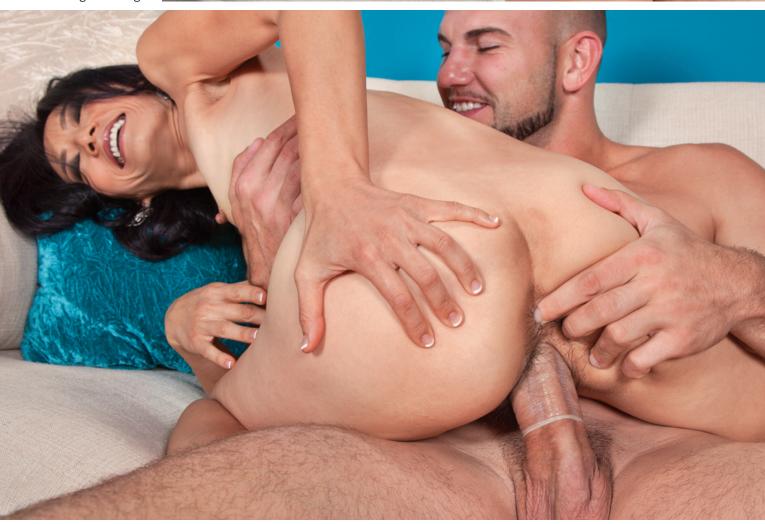

"I loved having sex on-camera," Sahara said. "I've always fantasized about getting fucked by a bigdicked porn stud, and now I've had two." Yes, two. Sahara got fucked by another stud at 40SomethingMag .com. Sahara is a traditional woman whose friends would be shocked to see her here. "This is so out of character for me. But I'm really happy that I had the chance to do it. It's not only something that people I know wouldn't expect me to do, it's something most women of any age never do. They're missing something!"

After the stud was finished plowing Sahara's pussy with his condom-covered cock, he ripped off the rubber and came all over her pussy. "Men always love to do that, cum on my pussy hair," she said. "That's okay, but I like to feel it in my pussy once in a while. I understand, though, that these days, most women shave their bushes, so for some men, seeing a woman like me is a real treat." Asked when she planned on shaving her pussy again, Sahara said, "I don't think ever. Having a hairy pussy makes me special." She is special.

"While my fiance was sitting at home, I was here getting ass-fucked by a total stranger!"

Ginny May is celebrating her return to 40Something by getting fucked in her ass. But first, she's gonna suck dick. And get face-fucked. And get pussy fucked. And then, when her ass is good and ready, it's going to open up for her stud's cock. "I'm very horny," she said. "That's how I found out about 40Something in the first place, and fortunately, my fiance is very willing to share me with others. I was going to save my ass for marriage, but he said, 'Don't wait for me!'"

Notice how Ginny maintains eye-contact with the camera while she's sucking cock and then balls. "In all honesty, when it started out, I was imagining that I was looking at my fiance," she said. "But then I was thinking about what I was doing and all the guys who might be watching me, and that was an even bigger turn-on. I mean, look at me! I'm about to get married, I'm 41 years old and I have a total stranger's cock in my mouth, and in about a second, he's gonna be fucking my naughty little ass! Who would've ever imagined that I'd do such a thing?"

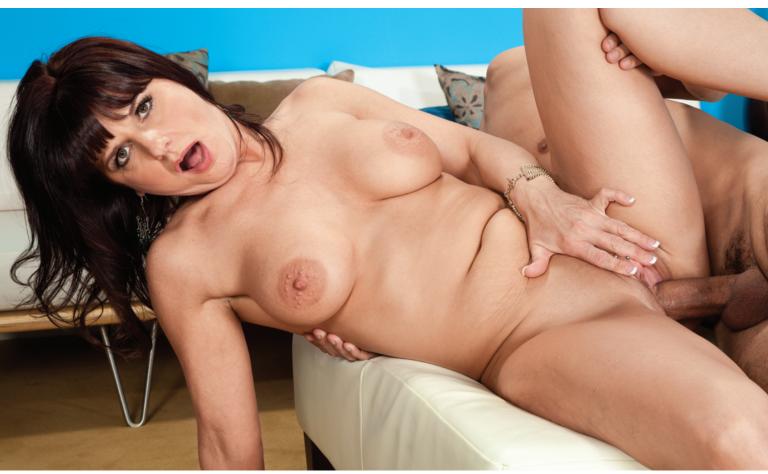

In the DVD Stuffed MILFs #2, Ginny gets her pussy pumped with an actual pussy pump! She gets on all fours for more pussy pump action, then takes her stud's cock down her throat, has him fuck her pussy, then has him cum inside her pussy. So, during her visit to our studio, this bride-to-be took a creampie from one guy and then got ass-fucked by another. Which did she prefer? "Both were great," she said. "And can I tell you a secret? On my wedding night, I'm going to have my husband cum in my ass." Please capture it on-camera, Ginny.

## OLD FUCKERS THEY'RE IN THEIR 608 & 708 AND STILL DOING IT ON-CAMERA! **DONNA DAVIDSON**

We hear it over and over. Over-40 women walk into our studio and tell us they've never been hornier in their lives and have never been better in bed. Their husbands, boyfriends and sex partners agree. But there's another trend we've found. Although the old saying goes

that women reach their sexual peak in their 40s, the women we've met get hornier in their 50s and even hornier in their 70s! So, with that in mind, we present six pages of spectacularly sexy women who keep on doing it. They're our oldest suckers and fuckers ever!

When Sandra Ann (left), our oldest GILF ever came to our studio for the first time, she looked like a nice old lady. Then she swallowed a big, black cock to the balls and took everything two studs could give her in the DVD 60Plus MILFs #2. Lola Lee and Jewel (below) look like a couple of gals out of the TV series Golden Girls, but behind closed doors, they become cock-crazed nymphs who can drain the nutsacs of men a third their age. By day, Lin Boyde (right) works in a law office. But at night, she turns into a cum-hungry slut who loves having sex in front of crowds in swingers clubs.

While her friends are playing shuffleboard and rushing out at 4:30 in the afternoon for the early-bird specials, Mandi (left) is taking gigantic black cocks deep in her well-trained asshole. Valerie (right) used to be a teacher. Now this creampied redhead is sucking strangers' cocks while showing off the holes she wants you to fuck. Georgette (below) is a sexed-up swinger who loves giving blow jobs and getting fucked in her puffy, shaved pussy. And she's one of our most-popular ladies ever. No surprise there. When it comes to fucking, older is always better.

Perhaps you remember the old days of women's professional wrestling, when ladies like The Fabulous Moolah ruled the ring. Yeah, they could execute a full-nelson and a figure-four leglock, but they weren't exactly inspiring any kind of bedroom fantasies among male fans. These days, female professional wrestlers are hot, but few are like Shelly "The Burbank Bomber," a 51-year-old, kick-ass blonde with Gcup tits. Shelly is a reallife mud and oil wrestler, but today, she's on the mat, and her opponent is Juan "The Stick" Largo. He's in for an ass-whupping. Juan goes down for the three-count, and Shelly is going down next.

Shelly, who hails from Burbank, California, and weighs in at 5'8", 146 pounds, is ready to claim her prize. "What do I want for winning?" Shelly asks, standing over Juan like the champion she is. "I want that cock. I want him to fuck me." Juan took a pretty bad beating from Shelly, but really, was it so terrible that he ended up laid out on the mat, prone, unable to move, defenseless? Shelly smothers Juan with her big tits then beats his face with them. She sucks his cock. She lets Juan fuck her right there on the mat, the squared circle, where great champions are born and laid.

"Sexy wrestlers started in the 1980s with the advent of female mud wrestling at the Tropicana in Hollywood, California," Shelly explained. "I wrestled there from 1980 to 1990." Then she told us what it would be like to wrestle her. "There's lots of rubbing and sweating and you're being pinned down and you have my monster boobs all over your body and sometimes I'm straddling your face, too. That's exciting for you and stimulating for me." Here, Shelly is getting all the excitement and stimulation she can handle. And giving it, too.

believe my mother was saying it. My mother usually didn't talk that way.

I'm 42 and divorced. I always thought that Mom's friend, Toby, was a very attractive older woman, but with her being married and all, and the age difference, and the fact that she was my mother's friend, I never even gave a thought to anything happening. Was Mom now sending me a message? Was she telling me to pay Toby a visit? I didn't know and I wasn't going to ask, but I figured maybe I'd pay Toby a little courtesy call.

A few days later, I came up with a stupid excuse to drop by Toby's apartment. I don't know what had been going on before I got there, but when Toby answered the door, she seemed a bit frazzled, like she had just thrown on her clothes and came to the door. I asked her if she was busy, and she said no, she was glad I had dropped by.

I told Toby that I was looking for decorating ideas for my apartment, and since she used to be a decorator, I might get some ideas from looking around. Well, I thought I was hearing things when Toby said, "Would you like to see how I decorated the bedroom?"

She led me into her bedroom, and I was shocked to see what had to be a 10inch dildo on her bed and a bottle of WET lube on her nightstand. She saw that I saw, and she didn't blush at all.

"I know I'm 76, but..." she started. She didn't have to finish. She still had needs. She walked into the adjoining bathroom and came out wearing just her bra and panties. She had a helluva body, not just for a 76-year-old.

Before I knew what was happening, Toby was on her knees, unzipping my pants and sucking my cock. Between sucks, she said, "Make sure you don't tell your mother about this. I'm not sure our friendship could survive." I almost shot my load in Toby's mouth right there, and I'm sure she would've swallowed every drop. She kept telling me how good my "young cock" tasted, and I finally had to tell her to stop talking because I was going to bust my nut before I'd have the chance to fuck her.

"We can't let that happen," she said, then she wrapped her mouth around my balls, spit on my cock stood up, and

continued on page 86

"I'm very, very horny today," Andi says. "I especially would like to have a nice, big, juicy, black cock inside of me. It's all that's been on my mind since I woke up. I can't wait for my friend to come over and fulfill my fantasy." Which he does, eating Andi's pussy, then filling her mouth with his cock, then filling her pussy with his cock, then cumming all over her face. "I feel lucky to have my appearance at my age, so I might as well enjoy it before it's gone," Andi said. "Doing this is all part of that, enjoying it."

"I know men like my ass," Andi said. "It's juicy. It's plump. I'm very comfortable with my ass. When men have sex with me, they pay a lot of attention to my butt. They always want to grab it and fuck me from behind. I guess it's a good thing that I love 69ing and fucking doggie-style because it seems that's what men want to do with me."

She's always up-front about what she wants, too. "I think men like mature women who are real. There are too many young women out there who are concerned about being beautiful and pretty and not just being themselves. Guys want to see a woman who's real, who's natural and hasn't changed herself. That makes me feel good."

### "Where I come from, women aren't supposed to do this, no matter how old they are."

Ellie Anderson has rooms to rent, and she's very excited about her new tenant. He's in the army. "I love military guys," Ellie says in her Polish accent. "I need a room, just for a month until they send me back to my unit," Private Ivan tells her. Ellie shows Ivan to his room,

then goes off to do his laundry. Pvt. Ivan takes a nap. He's dreaming about Ellie. In his dreams, she's a horny slut wearing stockings and sheer panties. She's rubbing her pussy. Sucking on her fingers. Showing off her tits. And he's jacking when she walks back in.

"In Poland, the woman is supposed to be very subservient, and if she does the kind of things I like to do now, she would be looked upon as a whore," Ellie said. "I am happy to be in the United States!" Happy to be in the United States where she can have sex with anyone she pleases. And she pleases. Quite often. She says that if she's interested in a man, he doesn't have to loosen her up with cheesy pickup lines. "I'll walk right up to a man and grab his cock," she said. And then, it's a matter of a Pole leading your pole.

Tori Baker is working in a lingerie store. In the background, some sleazy pervert is making believe he's shopping for lingerie for his fiancée, even though he doesn't really have one (oldest trick in the book). She asks if she can help him. He tells her that his fiancée is built just like her (what a coincidence!). So what does Tori do? She plays along. Why? Because she's horny. She shows him a few items, then tells him she has something that might be perfect-her bra!-while she's still wearing it! He likes it, of course. "Do you like what's in it or do you like the bra?" Tori asks.

The guy reaches out with his slimy, cheating hands to cop a feel, and before he knows it, he's cheating on his fake fiancée and getting a blow job from the hot lingerie saleswoman right there in the store and fucking her in positions his fake fiancée never even dreamed of. There's probably a lesson to be learned from this, but we're not in the mood for lessons. We're in the mood to jack to Tori while she's getting that pretty, tight, sparselyhaired pussy filled with a stranger's cock meat. So if you're looking for a tale about fidelity and being true to your significant other, better look elsewhere.

Look at Tori, bent over a display cabinet and getting her cunt filled with cock right there in the middle of the store! What if somebody walks in? Well, then they're going to have to wait their turn...unless that somebody is a man, in which case there's a good chance Tori will ask him to join in. "I had a threesome with two best friends in college," she said. "That was the first time I ever had anal sex. They DP'd me, too. Most of the time, I didn't know which one was in my pussy and which one was in my ass. I'm obsessed with doggie-style sex. I love having a

dick in my pussy while my tits are hanging down." Which means that in this scene, we were able to make Tori very happy, and in another scene she did for <u>40SomethingMag.com</u>, we made her happy again because our stud fucked her in the ass. "I get paid for this, too?" Tori said when she received her modeling check. "This has to be the best job in the world!"

sat on top of it. I noticed that her old cunt was shaved.

"I'm glad I shaved my pussy this morning," she said. "I don't know why, but I had an inclination that this might be a good day."

The woman was insatiable, and I couldn't believe I was fucking her. The thing with her ass was amazing. Before this day, I never would have thought that Toby was into anal, but the third time I was fucking her pussy, she got up, got on all fours, spread her ass cheeks and said, "Would you mind fucking me in the ass? I haven't had a cock in my ass for a long time. Jerome wasn't into anal."

It was the most surreal and unreal day I'd ever experienced, but it was about to get even more unreal. After I shot my load deep in her ass (She told me it was okay; she said she liked cum in her pussy and ass), she said, "You know, there are a lot of lonely women around her. I almost feel guilty having you to myself. Do you mind if I call one of my friends and ask her if she'd like to come over?"

It turned out that Toby's friend was also my mother's friend. Her name was Ronnie (short for Rhonda), and she was about the same age as Toby and just as horny. I guess Toby must've said something to her because Ronnie showed up in a short skirt and fuck-me pumps like I'd never seen a 70-year-old woman wear. Then, when she took off her skirt, I saw that she was wearing crotchless panties. She had hair on her pussy, but that was okay. She also had big, floppy tits. I like floppy tits on an older woman. It's another sign of age.

Well, first, Toby and Ronnie worked on getting my cock hard again. Ronnie sucked my cock while Toby licked and sucked my balls, them made her way down to my asshole. My mother's friend was licking and sucking my asshole! My mother's other friend was deep-throating my cock! And I was rock-hard once again. By the way, I don't know if Toby and Ronnie had done anything like this before, but they sure seemed to know what they were doing. It's like they anticipated each other's next move.

Toby gave my cock one more suck and fed it into Ronnie's cunt. Ronnie started screaming with pleasure. I think she might have cum in the first five seconds. Then Toby had Ronnie get on top of my cock, and Toby sucked my balls while I fucked Ronnie.

This went on all night, and I mean all night. If I wasn't fucking Ronnie's mouth or pussy, I was fucking Toby's mouth or pussy. I'd cum, and they'd both get right back to work on getting me hard again. Honestly, they were both sucking and fucking me like I was the last cock they'd ever have, although I was going to make sure it wasn't.

A few days later, I was having lunch with Mom when she started talking about Toby. She said how Toby seemed a lot happier these days, and she wondered if Toby had found a "man friend." That's what she called it. A "man friend." I just nodded my head like I didn't know, and I wondered if Toby had, indeed, said anything to Mom.

I didn't know. All I knew was that I had a date with both Toby and Ronnie that night, and we weren't going out. My plan was to go in as many times as possible.-D.G, Delray Beach, Florida 40

discovered." She's undercover right now, and wait until you see what she does!

body can open up to become more sexual," Trinity said. "Mine has." We can tell. "I'm a very sensual person. That's why I graduated toward exploring and writing about sex. It's something that is natural for me. I seem to be born for it. I lost my virginity when I was very young. It was with my best friend's brother. Their parents were away for the night. We all gravitated to a bedroom with multiple beds, and we each lost our cherries in plain view of each other. It was wonderful!"

There's a lot to love about Trinity. She has huge areolae, a tiny waist, a shaved, ultra-pink pussy and a large clit. She's an extraordinary dick sucker. She inhales cock down to the balls, getting it all wet and sticky and never gagging. This is not a woman who braces herself against the guy's thighs to keep him from fucking her mouth too deep. Two guys? Even better? And don't forget her asshole. "I truly enjoy anal sex," Trinity said. "I love every aspect of it. Of course, a man just can't get his cock hard and stick it in. He has to be slow and sensual, take his time. If I'm relaxed, it'll be mind-blowing!"

Asante slides his cock into Trinity's ass and fucks it hard. Now that he's inside, there's no need to be gentle. While she's getting her ass fucked, Trinity makes sure Tony's cock stays hard...by surrounding it with her mouth. Then it's Tony's turn to enjoy Trinity's asshole, and

Trinity uses the opportunity to suck her ass juices off of Asante's cock. "There are very few things I won't do," Trinity said. "I have a client in the brothel who likes me to wear a strap-on and fuck his ass. I have another who likes me to abuse his balls until he cums."

"I almost love sex too much," Trinity said. "In a brothel, you go back to a room to negotiate what the party is going to cost. And one of the girls had given me some advice. She said, 'When you go to negotiate, touch his cock because when you touch a man's cock, his mind short-circuits, and all he can think about is his cock.' But here's the problem: I did that, and my mind short-circuited, too! I ended up playing with his cock and sucking it, and before I knew it, we were having sex, and we hadn't settled on a price." Which was okay by Trinity. "I'm doing this to have fun and do new things. I'm living life to the fullest."
